

California Photography

Talk & presentation by
artist Vincent Lowry
August 19th, 3 pm

Peninsula Center Library
Community Room
701 Silver Spur Road

Join us Friday, August 19th at 3 pm for a presentation
about California landscape photography by
art photographer Vincent Lowry.

Vincent will be speaking about how he got started in photography,
what makes a great landscape photograph,
and information about the metal print medium.

Vincent's work will be on display in the Peninsula Center Library from
August 1st-31st. A reception with light refreshments will follow the talk.
