EXHIBITOR'S AGREEMENT PALOS VERDES LIBRARY DISTRICT EXHIBIT SPACES

Exhibit Fee: Upon acceptance of art exhibit for display, artist shall pay an exhibit fee of \$100. This fee is intended to cover part of the expense of maintaining the libraries for exhibits.

Artists' Reception: Artists may hold a reception during open library hours.

Refunds: In accordance with Board Policy No. 6020.2.D, if it is necessary for the artist to cancel the exhibit, a written request for refund must be submitted two weeks or more in advance of the exhibit. All fees are refundable.

PROGRAM AGREEMENT

In lieu of paying the \$100 exhibit fee, exhibitors may have the option to provide a program for the library showcasing their particular artistic techniques, a topic related to the exhibit, or their knowledge on the subject of art. The program can be in the form of a lecture or workshop and must be approved by the PVLD's Programming Committee so that it adheres to the high standards of PVLD programming.

PHYSICAL LIMITS

Page one of this agreement contains both "installation and removal" dates; artists agree to contact library staff if the dates change; under no circumstances should the removal date be delayed. The area available for art exhibitions is currently limited to the hanging systems. The exhibition space is multipurpose use. Safety is therefore an important consideration. No pedestals or free-standing art is allowed as the floor space must be kept clear. There will be no exceptions.

INSTALLATION

Installation and removal of the exhibit is the responsibility of the artists. Library staff is not available to help with this process.

Artwork has to be installed using the hanging systems. Artwork that does not have a wire to hang from (such as unframed drawings on paper) must be attached to the wall with approved and appropriate material that has been specified by the library staff prior to use. Failure to do so may result in charges for damages and/or possible restriction of future use of the exhibit space. Artists agree that they **will not** mark the walls with any type of marking (pencil, pen, chalk, etc.) and understand that any such markings will constitute damage to the walls.

It is the responsibility of the person signing the Art Exhibition Agreement to inform any and all people who will participate in the installation and removal of the exhibit about these rules, as the contact person will be held responsible for any and all damages to the room/walls. Artists will be liable for damage charges.

ARTISTS' PROFILE/PRICE LIST

It is recommended that a profile of the artists' history or an artist statement be made available for visitors to read.

It is the responsibility of the artist to label his/her own artwork.

A price list, including the number and name of each individual item, may be provided. All sales are subject to a 20% commission fee payable to the library within two weeks following the close of the exhibit.

PUBLICITY

Artists renting the space are responsible for the publicity of their own exhibit. Artists are allowed to display posters or postcards within the library at the library staff's discretion. Banners of any kind are not allowed on library property.

Artists presenting a program may still provide their own publicity for the exhibit; however, it will need to be approved by the PVL D Programming Committee if used on any of the library's media platforms. In addition, publicity for the program will be provided by the library.

OPENING RECEPTION

Artists may plan a formal opening reception after ascertaining that the reception space is available. There may be additional fees to hold the reception outside regular library hours.

Receptions are subject to availability and are the artists' responsibility. The reception space must be completely ready to vacate 15 minutes before closing.

Private invitations for the reception are the responsibility of the exhibitor; however, the reception must also be open to the public. A private phone number should be listed (not the library's phone number) for questions.

Food and only nonalcoholic beverages may be served during the reception, and are the responsibility of the exhibitor. **Groups or individuals wishing to serve alcoholic beverages must obtain authorization from Administration and provide proof of insurance naming the Library District as additionally insured prior to the event.**

Tables will be provided by the library; however, the exhibitor is responsible for bringing tablecloths, plastic cups, paper towels, plates, napkins, etc. If desired, floral arrangements and soft background music can be included to create a warm atmosphere during the reception.

The kitchen facilities are available for use; exhibitors must be respectful of library property and make sure the kitchen is clean at the end of the reception. **Do not leave leftover food in the refrigerator.** Before leaving, please dispose of trash.

LAWN EXHIBITS at Malaga Cove Library

One-day lawn exhibits are allowed during library hours on the Gallery Lawn subject to the same conditions as the Gallery. Artists must supply their own easels or other display fixtures. Freestanding pedestals can be used, and sculpture displayed on the lawn. The stone garden walls, building walls, shrubbery, or trees shall not be used to for art displays. The display area is confined to the lawn. No Library furniture can be used outside the Gallery. Such exhibits shall not be scheduled on dates that conflict with scheduled library events in the Gallery.

The library's insurance policy does not include works on exhibit and the District is not responsible for artworks. The exhibitor is responsible for providing their own insurance coverage.

PHOTOGRAPHY

Libraries are public spaces and there is not a reasonable expectation of privacy when utilizing library facilities. Individuals are able to take photographs or video recordings in publicly accessible areas of the library in accordance with PVL D Policy 6100.
