THE WORLD
OF 100

Want more chances at the Grand Prize? At every PVLD library this summer you will find a display asking the question: If the population of the world was only 100 people, what would society look like? Each week there will be a new question for you to guess about the World of 100. Write your guess on a prize drawing entry slip for an extra chance at the grand prize.

One entry per person per week. **Begins June 18th.**
