

What is The Annex?

The Annex is a place for middle and high school students to read, work on group projects, play games and participate in teen programs such as game tournaments, movie programs, craft projects and other fun social activities.

The Annex was founded in 2006 and was subsequently featured as an exemplary example of teen space design in the book: *Teen Spaces: the step-by-step library makeover* published by the American Library Association, and the professional journal, *Voice of Youth Advocates*.

Primary funding for The Annex is provided by the Peninsula Friends of the Library.

Located across the street from the Peninsula Center Library, The Annex is open on weekday afternoons and evenings for students in middle and high school.
